ABOUT CARESCO

CARESCO is here to serve the community in and around the village of Sawtry in Cambridgeshire. We run a range of services for the benefit of local people thanks to our wonderful team of volunteers from the surrounding area.

Most of our activities run from our purpose-built Centre in the middle of the village, unless otherwise specified.

As a charity, CARESCO is managed by a team of trustees who have oversight of the organisation, which they delegate on a day-to-day basis to the team of paid staff members.

Funding comes from a range of sources including our own fundraising, grants, donations and fees.

WHAT IS THE CAVE?

The CARESCO Cave is a place to pursue practical interests at leisure, to practice new skills, demonstrate old ones and to enjoy making and mending. It is all about social connections and building friendships, sharing expertise and passing on knowledge.

HOW DOES IT WORK?

Our drop-in sessions are open on Mondays, Tuesdays and Thursdays from 9am to 1pm, and we are based at the rear end of Sawtry Community Centre (behind the library) off Green End Road.

We have an ongoing range of activities and projects with members repairing, upgrading or making items. These can be individual commissions for customers, or items which may later be available for sale to the general public.

We advertise items when available via our Facebook page, or get in touch to find out what is in stock. All proceeds go towards supporting the work of CARESCO.

We can accept referrals from individuals, family members, or partner agencies in the local area such as GPs.

HOW MUCH DOES IT COST?

There is no charge to attend the Cave, though donations are welcome to help cover costs.
