# Welcome

It's going to be a busy autumn, if all the notices in this issue are anything to go by. A lot of community groups have already got events planned and meetings organised. There are fundraising events which need supporting and groups looking for new members, so you don't need to feel bored. And if nothing on offer takes your fancy, why not start preparing for next year's Sawtry Show? Thanks to the hard work of the Show committee, this year's was a huge success with a record number of entries in a wide range of categories from orange curd to oil painting, from carrots to cross stitch. Begin planning that veg patch now!

We've lots of useful information as well and don't forget our advertisers at the back, without whom the Eye would not be possible. If you do use any of our local tradesmen, do please remember to tell them where you saw there advert.

Enjoy those autumn colours and walking in the leaves

Jane Joyce would like to thank all her friends for the help and support after her hip replacement at Hinchbrooke hospital and a special thanks to Canon Malcolm and Rev Sandra Griffith.

Lyn & Pat would like to thank everyone for their help and support with the Afternoon Tea to raise funds for **CARESCO** which was held on 8<sup>th</sup> September.

## Bill Seeger

Grace and family would like to thank all friends and neighbours for their kindness and support at the sad loss of Bill, a much loved husband, dad, grandad & great grandad.

Bill passed away peacefully on 24<sup>th</sup> June in Hinchingsbrooke Hospital after a long battle with Alzheimer's.

Thanks to Malcolm, Rector of All Saints Church for his support and thank you for all the lovely floral tributes.

**Grace Seeger & Family - Gidding Road, Sawtry**

## Race Night Thanks

Well she's done it again! A huge thank you to Jacqui Heddington and the Sawtry Golf Society for all their hard work in organising the Race Night & Auction at the Club on 19<sup>th</sup> September. Thank you also to everyone who supported the evening & gave so generously. It was a brilliant turn out & a great atmosphere.

Thanks to all the sponsors for the evening & to the local businesses who donated raffle prizes and items for the auction.

All funds raised will be donated to CARESCO.

**Liz Coates - Manager, CARESCO**

## Retirement Thanks

**From Mrs Gregory:** I would like to take this opportunity of thanking parents, staff, past and present, and children of Sawtry Infant School for all their good wishes, flowers and presents that I received when I retired from Sawtry Infant School this summer. If you happened to come into the office on the last day of term, I was in there but hidden behind all the lovely bouquets and balloons!! So thank you all very much from my heart, it has been a pleasure to go to work each day for the last 29 years and to be a part of the wonderful work that goes on in the education of the children from our village. Good luck to you all.

Also, could I please thank everyone who had a part in organising the Feast Week Supper. I was lucky to be old enough this year to attend and what a wonderful evening it was. Great food and service, great entertainment and great company. Thank you all very much.

**Eileen Gregory - Green End Road, Sawtry**

**From Miss Bennett:** Just a note to thank you so much for sending the Sawtry Eye to me. What a humbling experience to see such things in print! I'm sure you will understand when I say I was completely overwhelmed with the cards, gifts and good wishes I received during my last few days at school. So many happy memories!!

**Sue Bennett**

## Upton Charity Concert

Upton Village organised its fourth Charity Concert on 22<sup>nd</sup> August when Evelyn Glenie hosted the evening with guests Graeme Humphrey and the female barbershop quartet Simply 4.

The church was packed to the rafters, with over 175 people supporting the proceedings, which consisted of a selection of percussion, piano and vocal harmony pieces, followed by a cheese and wine buffet afterwards.

Although funds are still being collected, it is anticipated that a figure in excess of £3,000 will be raised. With this money, we have been able to make substantial donations to East Anglia Children's Hospice and CARESCO as well as two local playgroups. The remainder will be used to support St. Margaret's Church and Upton Village Hall.

We would like to thank all those people in Sawtry and surrounding villages who supported the concert and we are already looking forward to 2011!

**Malcolm Alder - Co-ordinator**

## Thanks

A huge thank you from all at CARESCO to everyone who helped to make the Upton concert such a success. We were delighted to be one of the organisations chosen to receive part of the proceeds.

**Liz Coates - Manager, CARESCO**

## Dog Fouling

I invited visitors to take a walk on the field footpath from Deerpark Rd towards Glatton, imaging my dismay when we couldn't walk, talk or enjoy the scenery because we were too busy picking a route through dog mess.

Bags are provided by the parish and there is a bin available, BUT people still don't clean up after their dog and are therefore spoiling it for everyone else. I fear it will eventually become so disgusting that the dog owners who don't clean up will move on to despoil another area for the community.

Please clean up after your dog so that we can all enjoy Sawtry's wonderful environment.

**M Urwin - Deerpark Rd, Sawtry**

## NEW TO YOU AT NEARLY NEW

I must say a big thank you to Sarah for teaching me the ropes (I hope I do you proud) and also to Margaret, Claire and Gill for volunteering to help.

So come in and have a look and grab a coffee while you're there!

## Get involved in the Sawtry Carnival 2010!

The date for next year's Sawtry Village Carnival is **Sat 12th June** 2010. This will be at the end of Feast Week.

Local charities & groups raised over £3600 collectively for themselves this year on Carnival day and for the good of the village, not to mention all the fun that was enjoyed by all who came along and we thank you all.

The Carnival committee 2010 is being formed and needs your help!!

If you are a retired tradesperson or someone with skills that could be useful in planning such an event, the committee would be pleased to hear from you. Or if you really enjoyed the Carnival and would simply like to volunteer for the day itself we have a number of roles that need filling.

Please come to our next meeting which is in the Old School Hall study 7pm Tuesday 17th November 09.

A big thank you to Sam Bottomley who worked very hard organising the Grand Draw for 2009. Sadly she is stepping down from the role this year, so we need someone to take her place. A treasurer is also needed who can liaise with the Parish Clerk. We would also love a web page! So please ring if you can help. Carnival meetings are approx once a month on a Tuesday evening.

## UPTON GARDENING CLUB

The Club held the first meeting of the winter on 16<sup>th</sup> September - in accordance with our accepted tradition the speaker was Sue Stephenson from 'Puddle Paddock'. Sue is always an entertaining speaker, and didn't fail us this year with her talk - she didn't give it a title, but it was very instructive on what was basically the way to get the most out of your plants - i.e. extending the flowering season and increasing your stock for next year.

Next months speaker, on 21<sup>st</sup> October will be Jenny Edrich, who will give in illustrated talk on 'Wild Flowers of East Anglia'.

Visitors are welcome at a small charge of £1 for the evening.

We meet at Upton Village Hall on the third Wednesday of every month, at 7.30pm - if further details required contact **Ian Plum on 01832 293599.**

## TREE WARDEN REPORT

As the season shifts to a blustery autumn the hedgerows are heavy with jewels of elderberries, rosehips, sloes and blackberries – all can be made into delicious jams, puddings and decoctions that give us a timely vitamin boost to ward off winter colds. Check out some recipes, then go for a walk in the woods or down quiet footpaths to gather nature's free ingredients – but leave plenty for the birds.

Horse chestnuts have again been badly affected by leaf miner and bleeding canker and are looking very dry and brown. Fingers crossed for a better year next year for them, though the experts are gloomy about their long-term future. I can't imagine children growing up without conkers.

Elms have not fared well either; many of our younger elm trees died of Dutch elm disease this summer and will have to be felled. Resistant varieties are being offered to schools and I hope that our schools will partake in this Conservation Foundation project.

At the schools I will be replacing the failed willow stems in the fence with the rampant growth from the Junior's willow structure, plus more from Holt Island.

As for tree planting, I am making plans for the free trees that parishes can get from the District Council, and to encourage them to plant more on the many green spaces in the village which are under their ownership and management. Many of the trees are raised at their Godmanchester nursery by volunteers, from seed gathered in local woods. On Sunday October 11<sup>th</sup> you could help gather seed in Aversley Wood. Meet in St Judith's car park at 2.15pm, and enjoy a reward of tea and cake in the wood about 4pm!

## ALLOTMENT ASSOCIATION

Congratulations to all allotment holders, the Village in Bloom judges visited the allotments and the allotments have been given a Special Award. Well done everyone for that little extra effort to have the allotments clear and tidy.

The allotment Association AGM was held at the Old School Hall on Wed Sept 3rd, attendance was a little disappointing as only 16 of the 35 allotment holders came along.

The committee remains the same except that I am now the elected secretary.

Minutes of the AGM are available by email from daphne.bacon@mypostoffice.co.uk or give me a call and I'll drop a copy off to you. If you have an email address, please let me have it so that future communication can be sent in that manner.

Discussion took place re joining the National Society of Allotment and Leisure Gardeners Ltd but it was felt with less than 50% of holders attending it would be unfair to commit all holders to an extra £2.00 per year for membership. More information about the Society can be found at [www.nsalg.org.uk](http://www.nsalg.org.uk). Ballot forms will be sent shortly to all allotment holders so a decision can be made.

Reminder that 2009/2010 rents are now due, currently there is no increase but please be aware that rent will increase by £2.00 per full allotment for the 2010/2011 season.

## Going Green

▪ We've finally got our hens!! One Saturday back in July our family piled into the car and drove to a small village somewhere the other side of Kings Lynn to pick up our ex-bats (hens that were formally living in a battery farm). Our converted shed standing ready in the garden, the attached run complete, and a cardboard box with appropriate slits cut in the sides sitting in the boot of the car.

When we finally arrived there were a few volunteers from the Battery Hen Welfare Trust and a lot of somewhat moth-eaten hens in a pen. Once we'd identified ourselves & paid our donation to the trust, three hens were unceremoniously picked out of the flock and popped into our waiting box and we became the proud owners of ex-bats.

Once back home, the three girls were lifted gently out of the box into their new home and there they stood, remaining frozen to the spot and looking terrified. Not surprising really given the traumatic day they'd just had. After a life lived in a small cage with no daylight or fresh air, they had been rescued early that morning by the BHWT who had given them a health check and a manicure. They'd then spent time in the pen awaiting collection and a distressing couple of hours in a box in our boot. Now they'd been put into an unimaginably large space (an old 6' X 4' garden shed) and five people were expectantly waiting for them to look grateful!

Two months later the hens are unrecognisable. They have adapted to the new routine, are confident, even bossy when they want something, and are known to grumble if we're late letting them out in the morning. Anyone who goes out into the garden is greeted with enthusiastic clucking and the hopeful expectation of some titbits. They quickly trashed all the greenery in the run so lovely constructed for them and now expect to be let out into the garden each afternoon to spend a happy few hours wandering around looking for creepy crawlies or other yummy things to eat.

A lot of scraps don't now make it to the compost bin; the girls will squabble over anything thrown into the run for them and have proved to be particularly partial to bruised or mouldy soft fruit. We've wasted hours watching their antics.

And those eggs? The girls all laid the day after they arrived and within a couple of weeks had settled down to a steady supply of 2 to 3 a day. I promise you, there is nothing like a fresh egg, laid within feet of your back door.

If you fancy having hens, you can even get them locally now as Scally Waggs (St Judith's Lane, Sawtry) have begun breeding both hens and ducks. Ducks.....now, there's a thought!

## ONE & OTHER Sawtry on the plinth

Local man, Gary Crack has been successful in getting a place on the fourth plinth in Trafalgar Square as part of Anthony Gormley's One & Other project.

During his hour of fame Gary will be holding a Fairtrade party on top of the plinth to promote the Fairtrade movement using only the items he can manage to carry on by himself. Visit his page at <http://www.oneandother.co.uk/participants/GaryC> for more information.

## SAWTRY HISTORY SOCIETY and THE COMMUNITY ARCHIVE

Writing about our July meeting in September – to meet the Sawtry Eye deadline - seems odd but since the Eye only blinks open once every two months and we only look backwards on the third Thursday every month it's easy to get out of step, so if you can, cast your mind back to a sunnier time - a time when during our holidays we forgot the daily toil, relaxed and perhaps reflected on times past – which is exactly what the History Society did in July when we looked at a few of our enormous collection of slides.

Alan Bottrell's invitation for us to help identify people, locations and events from this mixed selection of images of Sawtry's past, resulted in a lively and at times amusing evening – for instance we learnt that Percy Slater, the local postman-turned-photographer had ears that were transparent when viewed from behind! One lady also recalled, in the days before widespread refrigeration, being often told by her mum to "take that food back to Millers – it's gone off!"

Whilst many events could not be identified - a massive funeral procession outside the Methodist Church; a large motor cycle event on the Great North Road; a fuzzy picture of a bike club outing and a group of WW1 "Land Girls" on a local farm – many images were recognisable - the original All Saints Church, complete with spire; the Chequers Inn; the Royal Oak being demolished, and, parked in Church Road, the Church Army mobile hut, complete with painted messages, including one reading "The Wages of Sin is Death"!

Later in July we also enjoyed a fascinating visit to Kimbolton Castle but before that, and whilst still in a reflective mood we suddenly realised that with all the excitement of our May Open Day we had forgotten to write about our very successful *Antiques Road Show* evening, also in May! John Smith, of Ramsey Antiques showed many fascinating items from his own collection but also identified, described and valued an eclectic selection of items belonging to our members and visitors.

Amongst the most unusual was a tiny pair of 1904 Irish wooden christening clogs; a miniature coal scuttle made in the WW1 trenches from a shell case; an 1880 American clock with a paper dial; a 19C chamber pot now used as punch bowl; an 1845 sampler made by an 11 year old girl; a speller ink well in the form of an owl with glass eyes and a WW2 teapot inscribed with the phrase "Evacuated to the USA". However the item causing the most amusement, also from the same period, was a set of ladies "Utility" knickers bought by John at a local sale! Everyone agreed that John should be invited back to run another *Antiques Road Show* so if you want to know more about Grannie's knick-knacks keep an eye on our posters!

Rather like the wartime powdered egg mentioned by John our advertised autumn programme has got rather scrambled, so due to illness of one of our speakers, the talk by Christine Morris on Family History now takes place on 15<sup>th</sup> October. Usual venue – W I Hall, Gidding Road, 7.30pm – so come along and find out more about this fascinating subject.

And a groan to finish? – What did Caesar say to Cleopatra? *Toga-ether* we can rule the world!

### SAWTRY WINEMAKER'S SOCIETY

Sawtry Winemakers hold a monthly meeting at the Old School Hall every third Wednesday of each month. If you would like to join us but don't make any wine don't worry, bring your own plonk to enjoy a good evening and come and try home made wines that members have made. These are country wines made from ingredients you may have in your garden or can buy from the local shop. We have many Social Events throughout the year that are enjoyable and good fun. In July we enjoyed a meal at Peterborough Greyhound Stadium and also took part in a Trivial Pursuit Quiz hosted by Buckden Winemakers Society and I am very pleased to report that Sawtry retained the trophy for the second year running. Well done Sawtry! New members are always welcome to any of the meetings that are held.

### *Mulled Wine*

With the evenings now drawing in, it will soon be time to be thinking about Bonfire Night and Christmas. Here is a very easy recipe for a delicious mulled wine.

300ml water (half pint)  
100g sugar(4 oz)  
4 cloves  
5cm (2") cinnamon stick  
2 lemons sliced  
1 orange sliced  
1 bottle red wine

Put water, sugar and spices in a saucepan and bring to boil. Remove from heat and stir in the lemons. Leave to stand 10 minutes. Add the wine and heat **without boiling**. Strain into a punch bowl, add orange slices and serve.

## HUNTINGDON MALE VOICE CHOIR

If you believe you need the acoustics of the bathroom plumbing to sing, think again.

If you are male - twenties upwards - and free on Thursday evenings you can be part of the renowned Huntingdon Male Voice Choir.

It is as simple as that with no auditions or an ability to read music and a guaranteed welcome that's second to none for the young and not so young.

Founded in 1962, HMVC has a huge reputation locally and nationally and has performed widely on radio and television, in cathedrals, and competitions the most recent being in "The BBC Choir Of The Year" at Basingstoke where they were the only Male Voice Choir awarded Choir of the Day.

In large concert venues or modest church halls the objective of the 60-strong choir never changes. They love to sing and aim to please.

The entertainment level is huge for audience and choir: from the Classic "Ave Maria" or "Bring Him Home" from the Musical "Les Miserables" all get the same high polish! That is developed in the Thursday rehearsals. The choir performs regularly in concert in support of local and national charities.

The choir are now embarking on what will be an exciting and challenging period with regular concerts planned throughout the rest of 2009 and 2010 culminating on 23<sup>rd</sup> October 2010 with an appearance at "The Royal Albert Hall" as part of the "London Welsh Festival of Male Choirs". With a further ten concerts planned during the year, and a visit to sing at the Hessen Celebrations at Landkreis Marburg-Biedenkopf, Germany in June 2010 this promises to be a very special time to be a member of Huntingdon Male Voice Choir.

Interested in being a part of this vibrant and expanding choir? New members are always welcome, and we are looking to build on our numbers to meet the challenges and musical opportunities in the coming year. Rehearsals are every Thursday in the Inner Hall Hinchbrooke House, Huntingdon starting at 7.30pm.

### ROYAL BRITISH LEGION

I have just been looking at a 'CASUALTY MONITOR' covering the period from 2006 to the present, of Service Men and Women, killed or wounded in Iraq and Afghanistan. The figures given represent the sum of casualties, which include Fatalities, Field Hospital admissions and Medical Evacuees. The accuracy of the figures themselves are confused as they can double up in some cases, i.e., where a Medical Evacuee has become a Fatality in hospital back here in Britain, however, they are still very worrying and no doubt, unfortunately, the figures will have risen by the time you read this item. For Iraq, there has been 3589 Casualties, of that figure 179 were Fatalities. For Afghanistan, there has been 5050 Casualties, of that figure 216 were Fatalities and that last figure, at least, has been confirmed by the BBC News tonight, with the two latest deaths reported today.

The Government will no doubt be giving some support to families of the Fatalities and to the other casualties but it is not enough and Charities such as, the Royal British Legion, will be filling that large gap, with the many areas of assistance that we are able to offer to these brave Service men and women. However, we can only do that if we, the Royal British Legion have your support.

Remembrancetide, is the time of the year when we publicly display the fact that we do remember those, from the beginning of World War 1, up through other conflicts, to present day Wars in Iraq and Afghanistan, who have fallen or have been wounded and scarred for life, in an effort to help and support the people of the countries in which they have had to fight and to maintain the peace and freedom that we in our country, in the main, enjoy. It doesn't matter what your politics are on these wars, these men and women have volunteered their services for the protection of this country and its people, YOU and Me and our Children.

Please show your support for your SERVICE PERSONNEL and donate generously to the Royal British Legion and thereby help us to help them.

Again, if anyone would care to volunteer to become a collector, at Remembrancetide, for the Legion, then please contact me.

## General Information - Swine Flu

All information has been taken from the Citizens Advice Bureaux website at <http://www.adviceguide.org.uk>.

**National Pandemic Flu Service** - In England, if you think you may have swine flu symptoms, you should contact the National Pandemic Flu Service. This is a self-care service where you can check your symptoms and get information and advice on swine flu. You can get authorisation to get anti-viral drugs if they are required. You can visit the National Pandemic Flu Service website at [www.direct.gov.uk/pandemicflu](http://www.direct.gov.uk/pandemicflu). The website is available 24 hours a day. You can also contact the phone line service on 0800 1 513 513 for information and on 0800 1 513 100 for treatment (textphone number is 0800 1 513 200). The phone lines are open from 8am – midnight.

If you are diagnosed with swine flu, you will be given an authorisation code. A 'flu friend'(a friend or relative who does not have swine flu) will be able to use the code to pick up antiviral drugs on your behalf from a local Antiviral Collection Point.

You should contact your GP straight away rather than use the National Pandemic Flu Service if any of the following apply to you:

- you have a serious underlying illness
- you are pregnant
- you have a sick child under the age of one
- your condition suddenly gets worse
- your condition is still getting worse after 7 days (5 days for a child)

You can get more information about swine flu on the Directgov website at: [www.direct.gov.uk](http://www.direct.gov.uk).

**Travel advice** - If you're unable to travel because of swine flu, you should be able to make a claim on your travel insurance policy.

Your insurance company should accept your claim, even if you don't have a medical certificate from your doctor saying you're not well enough to travel. But you must provide evidence that you've consulted the National Pandemic Flu Service.

When you consult the Flu Service, you get a unique ID number. You should provide your insurance company with this number, as well as the label on the anti-flu drugs which the service has prescribed for you. The label will have your name and the date that the drug was given to you.

If you're turned away at an airport because you have flu-like symptoms, you should get written confirmation from the airline that they have refused to let you travel because they don't think you're well enough. If you send this to your travel insurance company, they should pay out on your insurance.

Most insurance companies should follow these guidelines. If your company won't pay out because you don't have a medical certificate or a letter from your airline, you should make a complaint.

The Foreign & Commonwealth Office (FCO) provides detailed travel advice for specific countries affected by swine flu.

For the latest information, go to the Foreign & Commonwealth Office website at: [www.fco.gov.uk](http://www.fco.gov.uk).

**Sick notes** - If you are off work with swine flu, you will not need to provide a sick note for the first 7 days. If you are off work for more than 7 days, you will need to ask your GP for a sick note to give to your employer. For more information, see the Directgov website at [www.direct.gov.uk](http://www.direct.gov.uk).

**Caring for dependants** - Most employees have a right to take reasonable time off work to provide care or make arrangements for care if a dependant falls sick with swine flu.

## SAWTRY GIRLS SECURE CONCRETE DEAL

The future of Sawtry Colts U11 Girls Football Team has been made secure by the generous support of local business Martech Technical Services Ltd who have provided the girls with funding for playing kit, training kit and rain jackets for their 2009/2010 campaign.

Roel van Es, Martech Technical Services Ltd Managing Director, was impressed when team manager Steve Purnell approached him about a possible sponsorship deal.

Steve Purnell commented "I am overwhelmed at the generosity of Martech Technical Services Ltd, this new kit will really help us build the team spirit and the girls are excited about wearing their new kit. Our club is totally reliant on support from local businesses and we are delighted that Martech chose to support us"

Roel has a particular interest in girls' football having seen his daughter Eljse move through the ranks of youth football and now to adult female football at Peterborough Ladies.

Roel van Es commented "Since our management buyout in 2006 I have been enthusiastic about investing in the local community of Sawtry and I am delighted to be involved with Martech supporting the Sawtry Colts U11 Girls Football Team – we wish them lots of luck in their forthcoming season".

The Sawtry Colts girls play in the Cambridgeshire S-Tech Girls League and will wear their new kit throughout the coming season with pride.

More details of Sawtry Colts can be found at [www.sawtrycolts.co.uk](http://www.sawtrycolts.co.uk). Martech Technical Services Ltd are a specialist business providing inspections and testing of the built environment and have been based in Sawtry for nearly twenty years.

## TRADING STANDARDS ROCKET ALONG TO FIREWORKS STORES

It's nearly that time again – Bonfire Night with all the fireworks and fun that goes with it.

But fireworks have a dangerous side, particularly in relation to their storage and incorrect use. They are obviously of a particular hazard if they get into the hands of children and in 2005 (which were the last figures published) 494 children under the age of 17 were injured by fireworks.

Trading Standards has a responsibility to license local premises that sell fireworks and as part of this they work to ensure that fireworks are stored properly at business premises. The Service will be visiting shops in forthcoming weeks to check that the fireworks are being stored safely by retailers in the County, and advising them of what further measures are required where necessary.

In addition to the traditional high street inspections, officers also carry out research on the internet to make sure they are aware of all firework retailers in the County, even those operating online. Any found to be selling fireworks without a license can be fined. Recently a local businessman was fined £15,000 when he was found to be storing two tonnes of fireworks under straw in an old barn posing a significant danger to neighbours and the local community.

Trading Standards is also responsible for ensuring that fireworks are not sold to children and so carries out work to ensure firework retailers have adequate measures in place to ensure that they don't sell to anyone under the age of 18. Officers also carry out work at local schools to make sure that young people understand that they are not legally able to buy fireworks until they are 18 and that they are also aware of the dangers of misusing them.

If you are purchasing fireworks, you should read the labels carefully, paying particular attention to the 'effect' of the firework, for example "eject stars". This will help you to decide whether it is a safe firework to use bearing in mind the space you have. In terms of garden displays, it is recommended that spectators should be at least 5 metres away from the site of the fireworks. For display fireworks, spectators should be at least 25 metres away.

You can find more advice on keeping safe this bonfire night, as well as safety guidance for sparklers at [www.rospa.com/homesafety/advice/fireworks/](http://www.rospa.com/homesafety/advice/fireworks/)

If you are a business and would like further information on firework storage and sales, you can contact our Business Advice line on 0345 0455206 or visit our website -

## SAWTRY & DISTRICT BOWLING CLUB

And so another season passes, and it seems only last week did it start; as usual the recent weather has been some of the best of the summer, and if it wasn't for the rapidly shortening days we could still be enjoying our bowling. However back to the season past; all the league teams have survived the dangers of promotion and more importantly relegation - mainly by grand stand finishes to the season. The one success of the season was the Over 60's 'B' Team - they won their division, and will thus be promoted next year.

The Club was well represented at the National EBF finals at Skegness, although our players did not progress to the later rounds, we should remember that one has to be County Champions to qualify to play at Skeggy. We also had a Ladies Pair qualify to play at Leamington Spa, in the National EWBA finals. I think that entitles us to say that we have had a successful year. The big disappointment was that Club Teams, although winning through many rounds in local cup competitions, were unable to win any cups.

The Club Competition Finals were played over the weekend 12/13 Sept - this year saw the addition of Junior Competitions - the Junior Carpet competition was won by Miss Sarah Leader and the Junior Bowls by Ross Martin; it is interesting to note that Ross together with Matt Herbert have played frequently in the Senior League Teams. Back to the seniors - the ladies singles were won by Mrs Frances Henderson (2 wood) and Mrs Joan Greening (4 wood); the men's were won by Kevin Bowers (2 wood) and Mark Campbell (4 Wood). Kevin couldn't repeat his success in the Handicap, where he succumbed to Tony King. The Non - Winners Trophy was fought out between two new members, Peter Harvey & Harry Hitchman, Peter came out on top: the Triples was won, again by two new members (Joan Greening & Nigel Stowe) together with Roy Goodchild. Iain Hamilton and Derek Deller triumphed in the Club Pairs whilst the Chosen Pairs gave Kevin, partnered by son James his second trophy of the weekend.

The Over 60's was won by Mick Rayson who beat the senior member of the Bowers Bowls family (Ken); finally Keith & Sandra Minnett won the Husband and Wife.

The games were watched by spectators who were glad of the new windows in the Clubhouse which enabled an excellent view of the green whilst sitting comfortably in the Clubhouse partaking of a suitable beverage! The Club closed the season with the traditional President/Secretary Match, on 19<sup>th</sup>; this year there was a bit of added Spice as it involved a husband v wife match, Mick Rayson being Secretary and Susan the President, I trust that it didn't cause a family rift.

Don't forget, although the bowling has finished, the Club carries on with the Winter social events; these get under way with a 'Race Evening' (always popular) on Saturday 26<sup>th</sup> September. Finally don't forget 'The Great Christmas Raffle' the board is already in place. I wish all those who now move over to indoors, good bowling!

### Sawtry MotorCycle Club

Well the so-called summer is nearly over and a lot of us will be putting the shiny bikes back in the garage ready for next year. Mind you some of us don't do "shiny", that'll be just me then. Oh well.

Big thanks to Uncle Dunc who has discovered quite a few bike meetings and led bike rides out to them. Here's a list of the shows and exhibitions attended this year by some of the club members but mainly Dunc:-

ExCel Motor Cycle News Bike show and Exhibition, BMF (on the Kwakownersclub stand), Sawtry Feast, Sawtry Carnival, 24<sup>th</sup> Bikes n Bands Charity show (The Cherry Tree, Soham), Hertford NCC 12<sup>th</sup> Custom, Classic & Hotrod Show (Harpenden), Beck Row Bash, (nr Mildenhall), Iron Crows 11th Bike n Custom Show, (Kesgrave, Ipswich), Northampton NCC Custom Show (Weldon), Brackely Bike Festival, 1st London Bike Festival, Cambridge NCC Bike Trike and Custom Show, Santa Pod Straightliners (Round 1), North Weald Straightliners (Round 9) and Bike festival, RBLR Rock Night (Lowestoft), Siobhan-a-thon (Sharnbrook), Fenman Festival of Bikes (Wimbotsham, Downham Market), Shillington Bike show (Bedfordshire), Baldock Bike Bash (Baldock). Now that's a long list, quite a few miles and a lot of smiles.

I would have been there too but due to an injury sustained at the annual Sawtry Pub Car Park Extreme Stunt Show at the end of May I have been car-bound. It's the only time I've ever got my knee down, unfortunately it was rapidly followed by arm, elbow, wrist then backside. A quick trip to A&E rewarded me with shiny new plaster cast and the news I had broken my wrist in two places.

Due to the "Credit Crunch" it was off to the Lakes for our annual bike club outing but this time I was chauffer driven (see previous paragraph). We stayed at a youth hostel in the little village of Boot at the end of the Hard Knot Pass. We had two groups of bikers there this time, the road riders and the off-road boys. The off roaders took advantage of the various local tracks while the road biking crew headed off for a bike trip up the coast. One of our members discovered a remarkable petrol saving technique, which may be of interest. It goes like this: If you are going on a long bike journey with a pillion passenger, simply find somebody with a car who is going to the same destination and palm them off on the unsuspecting driver. This also works on ride outs when you can ditch the pillion onto somebody else with a spare back seat. I've also heard that his house is wired into his nearest street light and that he takes his own beer to the pub (not sure on the street light but the pub thing is true).

There have been a few track days and we have walking wounded to prove it. Best wishes to Phil and his elephant knee, hope it gets better soon. Phil did say that even after his little tumble he'd be back out there again as soon as he can get on the bike again (UPDATE: somebody with a broken wrist managed to get back on a bike before Phil).

In early September a small party of club members were involved in a marathon 2500 mile bike trip across Europe. We have had online updates from the crew but more of that in the next issue.

As I write this (12<sup>th</sup> September with a slightly sore head) I can report that the bike club summer BBQ at the Greystones was a huge success. The bike club provided the live music in the impressive form of "Mutt'n'Jeff'n'Jeff's son" and they rocked. Also a bouncy castle for the kids and Bouncy Boxing for the "big kids". All this coupled with a real ale weekend featuring 16 guest real ales and 3 real ciders and the fact it was one of the sunniest days this year meant that everyone had a really good day. Big thanks to Doug who slaved away in front of the BBQ all day and to everyone who turned up and made the day a success. Personally I think it's the best bike club BBQ we've ever had.

The time is drawing closer to the Sawtry Motor Cycle Club Christmas Party at the Working Men's Club. The date is December 5<sup>th</sup> and tickets should be available soon (details on the Sawtry Club notice board and the SMCC notice board in the Greystones). The event is ticket only but is, as usual, open to everyone (bike club members first). This year the fancy dress theme is "Everything Christmassy" and as it's our ten year anniversary this year we are hoping to pull out all the stops. The superb covers band Frenzy has been booked and we are planning for a turkey roast buffet style for the food. Details to follow.

That just about sums it up for now apart from the usual stuff: We meet at the Greystones every Tuesday where the landlord insists we enjoy half price drinks all night (It's OK Dave, it's a joke, you can put that defibrillator down now). Come along and have a chat. We have everything from a Honda C90 step-thru scooter to a Suzuki Hayabusa and everything in between. Cruiser bikes, touring machines as well as race replica bikes. Loads of advice available if you are thinking of trying out two wheels for the first time or simply returning to the fold. Everyone welcome. See you there.
